

Celebrate New Year's Day with

Poe-Tree & Music on THE Trail

Thursday, January 1 1 p.m.

Nature Center, Shamway Oak Grove Regional Park

Start off the year on a positive note! Participants are encouraged to bring poems to read (nature, trees, etc.) and/or an easily-carried musical instrument to share an inspirational piece of music (our docent will also have poems ready to share).

We'll stop and read our poems as we walk, practice "Found Object Poetry" and enjoy our ensemble of woodland sounds, the human voice and music to connect with nature and set a path for the new year.

Bohemian garb encouraged but not required! Families welcome!
