

DOCENT TRAINING

Oak Grove Nature Center

October 2–3, 2026

**Share your love of nature.
Inspire curiosity.
Connect visitors to their world.**

The Oak Grove Docent Council is a non-profit with the goals of educating children and adults about the natural and human history of Shumway Oak Grove Regional Park and the local Central Valley Region. If you are passionate about the local wildlife, native plants, history, or conservation, we'd like to invite you to become a Docent at the Nature Center.

What you'll learn

- Local history, native plants, and wildlife
- Interpretation techniques
- Visitor engagement
- Environmental education
- Safety and site orientation

Ways to be involved

- Lead school tours
- Staff the Nature Center
- Care for the Nature Center, gardens, and trails
- Develop programs & events
- Create interpretive content

WHO CAN BECOME A DOCENT?

All adults are welcome to be a Docent. No prior experience is required. Bring your ideas, interests, and talents to our growing community!
